

Chinese Firm Interested to Establish EV Plant in Pakistan

Assistant Chairman GU Xongquan of **Xinjiang Jingyi Cheng** Group, during a meeting with **FPCCI** Vice President Amin Ullah Baig, has announced the establishment of an electric vehicle (**EV**) plant in **Pakistan** and showrooms in major cities of the country.

The incremental trend of **oil** prices in the **international** market increases gasoline prices globally, so it's necessary to consider alternative sources of **fuel** for transportation in **Pakistan**.
