

FBR NOTICE TO NON-FILER / IN-ACTIVE TAX PAYERS.

FBR advertised the Ads via “Digital & Electric Media” to warn the Non-Filers to submit their Tax Returns to avoid the consequences mentioned in Section 114(B) of Income Tax Ordinance 2001.

The section 114(B) is related to “Powers to enforce filing of returns” which is described as;

“Notwithstanding anything contained in any other law for the time being in force, the Board shall have the powers to issue income tax general order in respect of persons who are not appearing on active taxpayers’ list but are liable to file return under the provisions of the Ordinance.”

The persons may entail all or any one of the following consequences in case of ignoring the income tax general order:

- (a) disabling mobile phones or mobile phone SIMS
- (b) discontinuance of electricity connection
- (c) discontinuance of gas connection.

It is advisable for all non-filers to contact your consultant for the process.
